

Trick - or - Treat

Activity - Halloween Centers/ Choices

Supplies:

Hallowe'en activities: decorate mini pumpkins, make gauze ghosts, Hallowe'en puzzles, games, fun sheets. Glass pie plate, water, oil, food colours, and props for overhead story.

Method:

Have a variety of Halloween activities in tubs/baskets so that participants can do what appeals to them.

End with the story on the overhead projector facing the wall.

Suggestions:

Review behaviour expectations with children explaining need for self control even if excited.

Use action song (The Little Old Lady...) if children need a movement break.

Make cookies/cupcakes and icing at school.

Intentions: Halloween Celebration

Curriculum Links:
